## Where a Trout Calls Home

Take a journey below the surface and explore a river from a "fish eye" point of view.

This story highlights Riley the rainbow trout as it follows him and his friends throughout the seasons of the year. From insect hatches to the return of spawning salmon and steelhead, reality and imagination merge to form a unique look into the life of a rainbow trout.

Artist Wayman Lee provides the finishing touch with illustrations capturing nature's beauty as well as the sport of fly fishing.
